

Fundraiser

JUVENILE JUSTICE INTEGRATED SERVICES JEFFERSON COUNTY, WISCONSIN 2016 Calendar

The Juvenile Justice Team enjoys working with the youth and families!! This fundraiser is to assist with being able to provide fun outings to build social skills with our youth, and provide incentives without putting it on our mileage. Other ways the money raised will be able to assist with other needs- food, appropriate clothing for interview or clean clothes, alarm clocks, or other supportive items our youth may need.

The art work was completed by the youth to showcase their talents as these are youth, not trouble makers, but talented children who are struggling at one moment in their lives right now.

The orders are due in by December 16, 2015 to ensure production to be complete before Christmas.

Thank you for your support! The]] Team
